

List of actors – Italy

	Address	Telephone	Fax	Web	Activities
ESCO					
Siram – Dalkia Group	Via Bisceglie, 95 20152 Milano	02-412981		www.siram.it	Broad range of energy-related services, in particular in hospitals; ESCO activities include heat contracting
Cofathec	Via Ostiense 333, 00146 Roma	800-946744	06-51455-299	www.cofathec.it	Broad range of energy-related services; ESCO activities include heat contracting
Fenice	Via Acqui 86, 10098 Rivoli (To)	011-9513912		www.fenicespa.com	Broad range of energy-related services; ESCO activities include facility management
Hera	Viale C.Berti, Pichart 2/4 40127 Bologna	051-287111	051-287525	www.gruppohera.it	DSO of Emilia-Romagna Region; Broad range of energy-related services; ESCO activities include heat contracting and power generation and distribution
Manutencoop	Via Poli, 4 40069 Zola Pedrosa (Bo)	051-3515111		www.manutencoop.it	Broad range of energy-related services; ESCO activities include facility management
CPL Concordia	Via Grandi, 39 Concordia S/S (Mo)	0535- 6161111	0535-616300	www.cpl.it	Broad range of energy-related services; ESCO activities include heat and power contracting and biomass heat
Acea				www.aceaspa.it	DSO of Rome; broad range of energy-related services; ESCO activities include heat and power contracting

	Address	Telephone	Fax	Web	Activities
Heat and Power	Loc. Ribrocca- 15057 Tortona	0131-810275		www.heat-and-power.com	Broad range of energy-related services; ESCO activities include heat contracting
ABB	Via Sardegna, 40 Roma	06-47499200		www.abb.com	Broad range of energy-related services; ESCO activities include heat and power contracting
ESCO ITALIA	Pian dei Mori, 275 - 53018 Siena	0577.392.248 -	0577.394.285	www.escoitalia.it	
Bioenergia fiemme	Via Pillocco, 4, 38033 Cavalese (TN)	0462-235173		www.bioenergiafiemme.it	Biomass district heating plant operator and provider of biomass heat service
SEA (Val d'Aosta energy company)	Regione Autoporto, 11020 Pollein (AO)	0165-238500		www.saenergia.com	Biomass district heating plant operator and provider of biomass heat service
Energy agencies					
Renael	AGEAS Salerno Via Posidonia 301 - 84129 Salerno. Agenzia Energia e Ambiente di Torino Via Livorno 60 - 10144 Torino	089 725233	089 725233	www.renael.it	Italian network of local energy agencies, diffusion of knowledge regarding rational use of energy and renewable energy sources; information about energy-environmental issues, training for technicians
ENEA (Ente nazionale Energia e Ambiente)	Lungotevere Thaon di Revel 76, 00196 Roma			www.enea.it	Research, information and assistance on a broad range of energy services, including subsidies

	Address	Telephone	Fax	Web	Activities
Ageas	Via Posidonia 301, 84100 Salerno	089-725233	089-725233	www.ageassalerno.net	DSO of Salerno municipality; broad range of energy-related services; ESCO activities include biomass heat contracting
Other relevant actors					
FIRE (italian federation energy efficiency)	Centro Enea Casaccia (Roma) 00123 via Anguillarese 301	06-30483626	06-30486449	www.fire-italia.it	Research, information and assistance on a broad range of energy services, in particular energy efficiency, renewable energy (biomass, solar), ESCO business models
FIPER (italian federation of renewable energy producers)	Via Polveriera, 50, Tirano(SO)	0362- 1792245		www.fiper.it	Very active in biomass heat service, operate some biomass fired district heating plants
AGESI (italian association of facility management and energy services)	MILANO - Via Grigna, 9 20155	02- 3925200	02- 39269016	www.agesi.it	Information related to ESCO approaches and energy services
AIRU (italian asociation of urban heating)	Piazza Trento 13, 20135 Milano	02-45412118	02-45412120	www.airu.it	Information and advisory related to heating services
CESI (italian electrotechnical centre)	Via Ribattino 54, 20134 Milano	02-21251	02-21255440	www.cesi.it	Research and development, consultancy activities related to a broad range of energy services

	Address	Telephone	Fax	Web	Activities
CTI (Comitato termotecnico italiano), in charge of standards definition for energy efficiency,	via Scarlatti 29, 20124 Milano	02-2662651	02-26626550	www.cti2000.it	Standards related to biogas to energy, heating and cooling, solar thermal; information about subsidies and monitoring of the heat
AEEG (Italian electricity and gas regulator)	Piazza Cavour 5, 20121 Milano	02-655651	02-65565266	www.autorita.energia.it	Italian energy and gas authority; regulates the white certificates mechanism and the energy efficiency targets
ASSOESCO (italian ESCO association)	Viale Buozzi Bruno, 19/A, 00197 Roma,			www.assoesco.it	Association of italian ESCOs
Itabia (Italian Biomass association)	Via Acireale 19, 00182 Roma	06-7021118	06-70304833	www.itabia.it	Information, dissemination activities, studies and consultancy related to bioenergy
Veneto Agricoltura	Viale dell'Università 14, 35020 Legnaro (Pd)	049-18293711	049-8293815	www.venetoagricoltura.org	Dissemination, studies and advising related to bioenergy and energy in rural areas
Arsia	Via Pietrapiana 30, 50121 Firenze			www.arsia.toscana.it	Dissemination, studies and advising related to bioenergy and energy in rural areas, including biomass heat service
Aiel (Associazione Italiana Energia dal legno)	Viale dell'Università 14, 35020 Legnaro (Pd)	049-8830722	049-8830718	www.aiel.cia.it	Provides guidelines on energy services and bioenergy matters

	Address	Telephone	Fax	Web	Activities
Financial institutions					
Intesa san paolo	Via Monte di Pietà, 8 20121 Milano	02 879 11		www.intesanpaolo.com	Active in financing energy-related projects;
Banca etica	Via Niccolò Tommaseo, 7 - 35131 Padova			www.bancaetica.com	Active in financing energy-related projects;
Monte dei paschi di siena	Viale G. Mazzini, 46 50132 Firenze	055 24981	055 242750	www.mpscapitalservices.it	Active in financing energy-related projects;
Banca credito cooperativo	Via Lucrezia Romana, 41/47 00178 Roma	0672071	0672072789	www.creditocooperativo.it	Active in financing energy-related projects;
